

'Jimmy' Goes To The Academy

Feast your eyes on Hialeah's cutest recruit ever, "Jimmy." He's all of 5 months old and he will be starting the K-9 police academy next week, it's never too early to start training.

Hialeah is very proud and lucky to have a dog like "Jimmy", he will be very useful in the unfortunate event of a missing child, or more often, a missing elderly Alzheimer's patient. We greatly appreciate the help of Mr. Don Ryce, father of the late Jimmy Ryce, and Sherry Friedlander, A Child Is Missing Alert Program, of Fort Lauderdale, in acquiring this great addition to our police family.

The Ryce Foundation and A Child Is Missing Alert Program assist one another when the need arises. The department wanted a bloodhound and ACIM assisted in raising the funds to buy JIMMY.

We want everyone to meet Jimmy, he is truly a magnificent animal and very lovable, come see for yourself.

Mayor Julio Robaina and Police Chief Mark Overton, cordially invite the media to attend a Press Conference on Wednesday, June 24th, in the front garden of Hialeah's City Hall, located at 501 Palm Avenue. The Press
